

**Legislative Assembly of British Columbia**  
**MLA Travel Expenses**  
**Paid in the period April 1, 2014 to March 31, 2015**

For Members of Cabinet (Ministers and Ministers of State), most travel expense claims are processed by the Ministry of Finance and this information is available on the Province of British Columbia website at <http://www.openinfo.gov.bc.ca/ibc/index.page>. Occasionally, however, Members of Cabinet may need to submit travel expense claims (e.g. for Accompanying Person travel) to the Legislative Assembly of BC and in these cases redacted receipts will be included with the disclosure reports.

GST input tax credits are not included in the amounts of the travel expenses in this report and therefore, the amounts of the travel expenses in receipts do not agree to the amounts of the travel expenses in this report.

#### Preferred seats

Do you find yourself looking for a little extra space when you fly? Then look no further than our **Preferred seats**.

**Preferred seats** offer extra legroom when you travel in Economy class, giving you more space to relax and stretch out or work in comfort. In many cases, these seats are also at the front of the aircraft, which means you can deplane much faster upon arrival.

On Air Canada rouge, **Preferred seats** go by the name rouge Plus.

#### Advance Seat Selection

Make your selection now to secure the seat that best suits your needs.

Do you like to sit by the window? Would you rather be close to the front so you'll get to your connecting flight quicker? Or are you looking for adjacent seats for you and your travel partner?
