Important details

WestJet permits one piece of carry-on baggage and one personal item on board. If you are on a flight operated by one of our airline partners, your allowance may be different - learn more. All carry-on baggage must pass through security. Make sure your carry-on complies and avoid having to surrender your personal items. Review what you can and can't take on your flight by visiting our restricted items info page or catsa.gc.ca.

-  Your checked baggage allowance depends on the aircraft you are travelling on, the fare option purchased and the destination you are travelling to or from. You may be permitted additional items, or items that are overweight or oversized in checked baggage. For more details, please see Checked and excess baggage.
-  Use web check in to print your boarding pass and select most seats for free - selecting some seats requires a fee. This service is available as early as 24 hours (and up to 60 minutes) before your scheduled flight.
-  Identification and travel documents required vary based on where you are travelling and may change based on your nationality. Visit our ID requirements section for more information.
-  Do you have a special need? For information on travelling with oxygen, assistive devices, or a service animal see Guests with special needs.
-  We know how valuable your time is. To ensure we are able to depart and arrive as scheduled, please be sure you are through security and at your departure gate 40 minutes before your flight's scheduled departure time. If you arrive at the gate less than 10 minutes before departure and the aircraft is already boarded you will be denied boarding.

Important details

WestJet permits one piece of carry-on baggage and one personal item on board. If you are on a flight operated by one of our airline partners, your allowance may be different - learn more. All carry-on baggage must pass through security. Make sure your carry-on complies and avoid having to surrender your personal items. Review what you can and can't take on your flight by visiting our restricted items info page or catsa.gc.ca.

 Your checked baggage allowance depends on the aircraft you are travelling on, the fare option purchased and the destination you are travelling to or from. You may be permitted additional items, or items that are overweight or oversized in checked baggage. For more details, please see Checked and excess baggage.

 Use web check in to print your boarding pass and select most seats for free - selecting some seats requires a fee. This service is available as early as 24 hours (and up to 60 minutes) before your scheduled flight.

 Identification and travel documents required vary based on where you are travelling and may change based on your nationality. Visit our ID requirements section for more information.

 Do you have a special need? For information on travelling with oxygen, assistive devices, or a service animal see Guests with special needs.

 We know how valuable your time is. To ensure we are able to depart and arrive as scheduled, please be sure you are through security and at your departure gate 40 minutes before your flight's scheduled departure time. If you arrive at the gate less than 10 minutes before departure and the aircraft is already boarded you will be denied boarding.

Important details

WestJet permits one piece of carry-on baggage and one personal item on board. If you are on a flight operated by one of our airline partners, your allowance may be different - learn more. All carry-on baggage must pass through security. Make sure your carry-on complies and avoid having to surrender your personal items. Review what you can and can't take on your flight by visiting our restricted items info page or catsa.gc.ca.

Your checked baggage allowance depends on the aircraft you are travelling on, the fare option purchased and the destination you are travelling to or from. You may be permitted additional items, or items that are overweight or oversized in checked baggage. For more details, please see Checked and excess baggage.

Use web check in to print your boarding pass and select most seats for free - selecting some seats requires a fee. This service is available as early as 24 hours (and up to 60 minutes) before your scheduled flight.

Identification and travel documents required vary based on where you are travelling and may change based on your nationality. Visit our ID requirements section for more information.
