

MLA Travel Expenses

Paid in the period April 1, 2019 to June 30, 2019

For Members of Cabinet (the Premier, Ministers and Ministers of State), most travel expense claims are processed by the Ministry of Finance and this information is available on the Province of British Columbia [website](#). Occasionally, however, Members of Cabinet may need to submit travel expense claims (e.g. for Accompanying Person travel) to the Legislative Assembly of BC and in these cases redacted receipts will be included with the disclosure reports.

GST input tax credits are not included in the amounts of the travel expenses in this report and therefore, the amounts of the travel expenses in receipts do not agree to the amounts of the travel expenses in this report.

Fare Rules Summary

- Voluntary changes to your itinerary may require the payment of additional fees and fare upgrades.
- If you are travelling on a non-refundable ticket, Air Canada will be unable to make exceptions in the event of an unexpected trip cancellation or medical emergency. We recommend the purchase of travel insurance.
- Tickets are non transferable.
- Seat selection charges are per passenger and apply to each individual one-way flight segment in your itinerary. Flight segments are identified by a change in flight number, with each new flight number representing a flight segment. Taxes are not included.
- Please note that you may be moved from your selected seat without notice in the event of an involuntary schedule or airport change (e.g. flight disruption, cancellation), to accommodate a passenger with a disability, or for any other reason that requires Air Canada to move you prior to departure or during the flight. If you are moved from your seat for one of these reasons, you may request a refund for your seat charges. We invite you to read additional terms and conditions related to seat selection

Please read important information and notices regarding Air Canada's general conditions of carriage.
