

MLA Travel Expenses
Paid in the period April 1, 2019 to March 31, 2020

For Members of Cabinet (the Premier, Ministers and Ministers of State), most travel expense claims are processed by the Ministry of Finance and this information is available on the Province of British Columbia [website](#). Occasionally, however, Members of Cabinet may need to submit travel expense claims (e.g. for Accompanying Person travel) to the Legislative Assembly of BC and in these cases redacted receipts will be included with the disclosure reports.

GST input tax credits are not included in the amounts of the travel expenses in this report and therefore, the amounts of the travel expenses in receipts do not agree to the amounts of the travel expenses in this report.

Baggage fees are charged in CAD or USD by direction depending on point of departure. Guests departing the United States, Latin America and the Caribbean will pay baggage fees in USD. Please see <https://www.westjet.com/en-ca/travel-info/fares/service-fees> for more information.

Passengers embarking upon a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that the provisions of an international treaty (the Warsaw Convention, the 1999 Montreal Convention, or other treaty), as well as a carrier's own contract of carriage or tariff provisions, may be applicable to their entire journey, including any portion entirely within the countries of departure and destination. The applicable treaty governs and may limit the liability of carriers to passengers for death or personal injury, destruction or loss of, or damage to, baggage, and for delay of passengers and baggage.

Additional protection can usually be obtained by purchasing insurance from a private company. Such insurance is not affected by any limitation of the carrier's liability under an international treaty. For further information please consult your airline or insurance company representative.

Data Protection Notice: Your personal data will be processed in accordance with the applicable carrier's privacy policy and, if your booking is made via a reservation system provider ("GDS"), with its privacy policy. These are available at <http://www.iatatravelcenter.com/privacy> or from the carrier or GDS directly. You should read this documentation, which applies to your booking and specifies, for example, how your personal data is collected, stored, used, disclosed and transferred. (applicable for interline carriage)
