Fare rules Summary

Voluntary changes to your itinerary may require the payment of additional fees and fare upgrades. If you are travelling on a non-refundable ticket, Air Canada will be unable to make exceptions in the event of an unexpected trip cancellation or medical emergency. We recommend the purchase of travel insurance. Tickets are non transferable.

Seat selection charges are per passenger and apply to each individual one-way flight segment in your itinerary. Flight segments are identified by a change in flight number, with each new flight number representing a flight segment. Taxes are not included.

Please note that you may be moved from your selected seat without notice in the event of an involuntary schedule or airport change (e.g. flight disruption, cancellation), to accommodate a passenger with a disability, or for any other reason that requires Air Canada to move you prior to departure or during the flight. If you are moved from your seat for one of these reasons, you may request a refund for your seat charges. We invite you to read additional terms and conditions related to seat selection.

Please notify us immediately if you do not plan on taking your scheduled flight(s). If you are unable to change or cancel your booking online, you can reach Air Canada Reservations at 1-888-247-2262 (for international and other numbers, visit www.aircanada.com/othernumbers). If you do not show up for your flight, the rest of your itinerary will automatically be cancelled.
