The accompanying notes included below form an integral part of this report

#### Notes – General

- Note 1 Details of compensation paid to the Assembly’s executive team are published on a quarterly basis. The executive team is composed of the Clerk, the Deputy Clerk and Clerk of Committees, the Sergeant-at-Arms, and the Executive Financial Officer.
- Note 2 The amounts contained in this report are not expected to match those found in the *Public Accounts* as not all benefits are included in that report.

- Note 3 Benefits**  
This category includes the combined dollar value of employer-paid statutory and non-statutory benefits such as Canada Pension Plan (CPP) premiums where applicable, Employment Insurance (EI) premiums, Workers Compensation Board (WCB) premiums, Employer Health Tax (EHT) costs, Medical Services Plan (MSP) premiums, and group life insurance premiums. Extended health and dental benefits are not included in this total as the Assembly does not receive individualized statements on payment of benefit costs for privacy reasons.
- Note 4 Pension**  
All eligible Assembly employees participate in the BC Public Service Pension Plan (the Plan). The balance shown is the Assembly's contribution to the Plan, which is a flat rate of 9.85% of each employee's salary.
- Note 5 Severance**  
This category includes any severance paid as a lump sum that is attributable to the termination arrangements of an employee.
- Note 6 Vacation Payout**  
Eligible Assembly employees receive an annual vacation entitlement which increases based on years of service or seniority of position. An employee who has unused vacation days for a calendar year may opt to be paid out or have the balance carried over and used as vacation in the year immediately following.
- Note 7 Vehicle Allowance**  
The Assembly provides a bi-weekly vehicle allowance in the amount of \$266.78 to the Clerk, the Deputy Clerk and Clerk of Committees (Acting Clerk), the Sergeant-at-Arms, and the Executive Financial Officer. See specific notes below.
- Note 8 Other**  
This category includes any other property or personal benefit provided such as fitness reimbursements (to a maximum of \$250 per year).
- Note 9** The disclosures in this report are consistent with the Public Sector Executive Compensation Disclosure Statements for school districts, post-secondary institutions, health authorities, and crown agencies.
